SUMMARY

"As a dedicated and enthusiastic PHP developer, I am eager to kickstart my career in web development. I have a solid foundation in PHP programming, HTML, CSS, and JavaScript, along with a strong willingness to learn and adapt to new technologies. My passion for creating dynamic and interactive web applications drives my commitment to delivering high-quality code and collaborating effectively with teams. I am excited to contribute to innovative web projects and grow as a PHP developer."

EDUCATION

BCA (Bachelor of Computer Applications)

Rakshpal Bahadur Management Institute Bareilly)

📅 2005 - 2008

Higher Secondary School

S R Singh Inter College

📅 2005

PROFESSIONAL SYNOPSIS

PHP Enthusiast

I have a strong grasp of PHP, including its fundamentals, syntax, and best practices.

Front-end Proficiency

I'm skilled in HTML, CSS, and JavaScript, which enables me to build responsive and user-friendly web interfaces.

Database Basics

I have worked with MySQL to design and manage database and understand how to create and query database effectively.

Quick Learner

I thrive on learning new skills and technologies, and I'm excited to adapt to the ever-evolving web development landscape.
